

Music Instructor: Dylan Schweitzer

Growing up in the De Kalb area, I was introduced to many instruments at a young age. As I grew more serious in music, I focused my education on learning Guitar, Classical Voice, Piano and Composition for small and large ensembles. I am a member of the Illinois Music Education Association and was a valued part of the All State Honors Mixed Chorus. When I'm not studying music, I play for 2 local bands, one RnB/Blues centric and the other Singer/Songwriter and Folk centric. I also Compose music to accompany Film/Tv. In just the last year, the films I scored received 9+ awards, one of which was for Best Original Film Score. I'd describe myself as fun, energetic and an ambitious instructor that enjoys sharing the love and knowledge of music, not only to my students but to fellow citizens of our local community.
